With over 35 years of experience in civil litigation, Saibal Chattopadhyay is a prominent figure within the Howrah and Kolkata jurisdictions. An alumnus of Hazra Law College under Calcutta University, he operates a highly prolific chamber centered at his residence, while remaining easily accessible at the Judges' Court in Howrah. Known for his formidable skills in cross-examination, Mr. Chattopadhyay has built a strong reputation that makes his chamber a highly sought-after training ground for aspiring lawyers. He is widely respected and loved by his juniors for his mentorship. However, entry into his practice remains competitive; despite the high demand from young lawyers eager to learn from his extensive experience, he maintains a strict and selective approach when accepting new juniors into his chamber. Beyond his legal acumen and sharp court skills, Mr. Chattopadhyay is known for his kindhearted, approachable, and supportive nature. He remains deeply connected to the legal community outside the courtroom as well, regularly participating in the cultural programs organized by the Howrah Bar Association. □□ Registration No: F/790/1989 Link Keywords - Hazra Law College - Cross-Examination (Civil) - Civil Litigation - Howrah Judge's Court
